

Fundraising Trustee of BAC

The Board has identified a gap in fundraising and communications leadership, and knowledge and expertise to inform fundraising and communications strategy, which it plans to close by recruiting a trustee with significant experience in this area. The key activities which the new Trustees will support are the development of a fundraising and communications strategy and the provision of occasional practical advice when needed.

- Encourage an entrepreneurial fundraising culture.
- Oversee fundraising and to make sure it is carried out in legal, honest and accountable ways.
- Good working knowledge of digital marketing trends.
- Ability to analyse risks and opportunities, and take a balanced approach to both.
- A commitment to the organisation.
- A willingness to devote the necessary time and effort to conduct the above duties.
- Strategic vision.
- Good, independent judgement.
- Strong communicator.
- An ability to think creatively.
- A willingness to speak their mind.
- An understanding and acceptance of the legal duties, responsibilities and liabilities of trusteeship.

- An ability to work effectively as a member of a team and willingness to take collective responsibility for the governance of our charity.
